

Attention:

Sir/Madam

I am Barrister Khor Jit Sheng an attorney at Law from Malaysia. I got your contact in course of my inquiry to locate relations of my deceased client, who died as a result of a heart-related condition on the 13th March 2010. His heart condition was due to the death of all the members of his family in the Fukushima earthquake and Tsunami disaster on the March 11, 2011 in northeastern Japan where they all lost their lives.

The reason for this is to inherit a contract payment deposits account of USD\$28,000,000.00 (Twenty Eight Million United States Dollars). of which the deceased left in a finance firm. However, I want you to please assist me to claim the fund. This request emerged last week when the finance firm contacted me for the attention of my deceased client (perhaps for one reason or the other they have tried to contact him and was unsuccessful).

However, thereupon I announced his death and protocols observed, I was mandated (as the deceased's attorney) to provide the Next-of-Kin to inherit the deposits or they will freeze it as "Unclaimed Deposit". Unfortunately, and unknown to the finance firm, the Next of Kin was among the dead in the Fukushima earthquake (Tsunami). But rather leaving the Deposits/Account frozen hence I seek your help to claim the fund into your account since you share the same last name with my late client.

I have the required Information to execute the transaction under legal process. So all you need to do is to provide an account for this transaction. And upon the conclusion of this transaction, I will come to your country, for the disbursement of this fund, which is 40% of the total amount, will be your compensation, while 60% will be my share for investment. I will need your help to invest my share in your country.

NB: PLEASE IGNORE THIS MAIL IF YOU ARE NOT INTERESTED IN THE OFFER AND ALSO IF YOU CAN NOT HANDLE LARGE SUMS OF MONEY.

Contact me urgently with the below email address for more details.
